

Varun Cherukuri

5729 La Seyne Pl, San Jose, CA 95138

Phone: (408) 807 2810

Email: varunc1996@gmail.com

Education

University of Illinois: Urbana-Champaign

Major: Engineering Physics

GPA: 3.40

The Harker School

GPA: 3.90

Experience

Cisco

Gravity Probe B

Analyzed snapshot data of the Telescope on Gravity Probe B searching for irregularities in the data points of the telescope that would indicate positioning over the South Atlantic Anomaly using MATLAB.

Presented what I learned to senior members of Gravity Probe B.

Activities

Robotics
